Put this information in the glove box with the vehicle owner's manual.
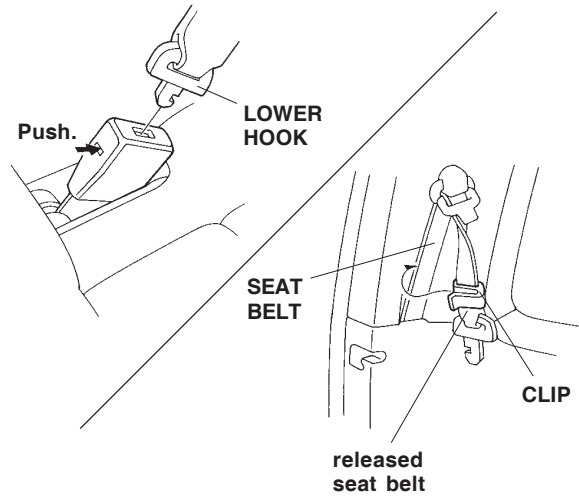

PARTS LIST

Cargo cover
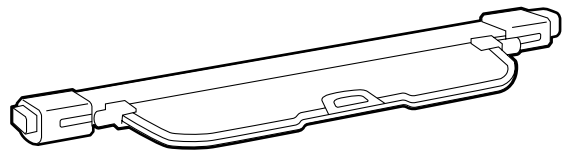

TOOL REQUIRED

Small flat-tip screwdriver

INSTALLATION

**Installing the Cargo Cover Behind the Second Seat**

1. Using a small flat-tip screwdriver or the ignition key, release the seat belt lower hook from each third row seat; then attach the seat belt clip to the seat belt.

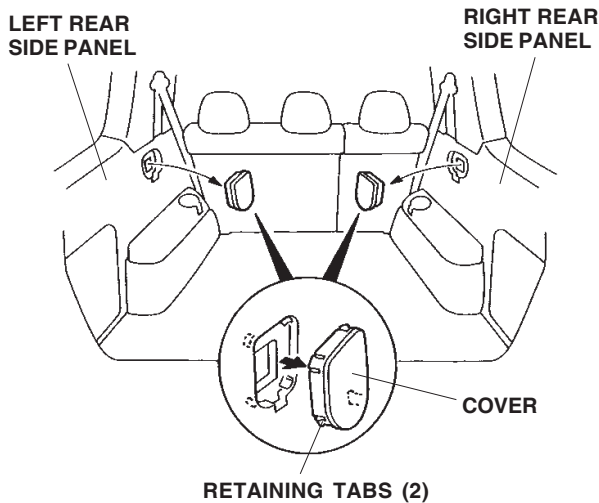

2. Remove the headrests from the third row seats by pushing the release buttons, and pulling the headrests out.

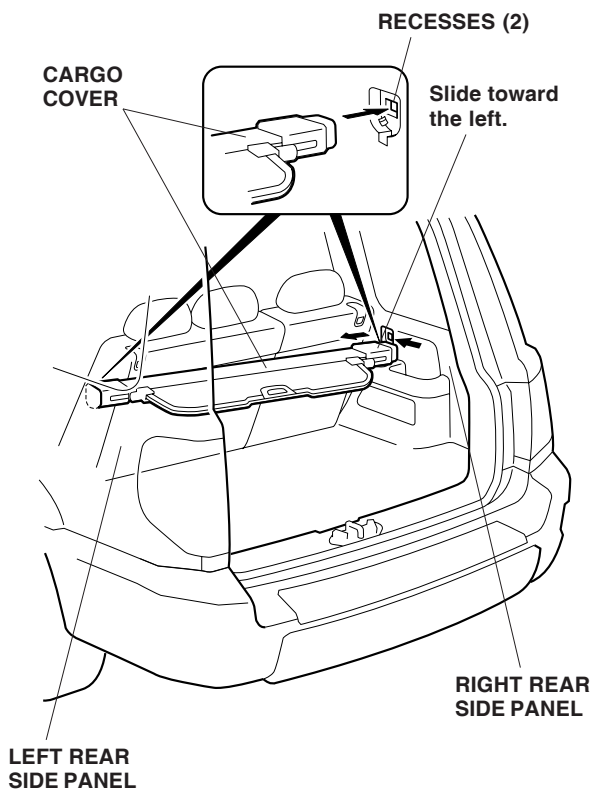

3. Store the headrests in the storage compartment under the cargo floor. Insert the posts of the headrests into the holes in the front of the storage compartment.
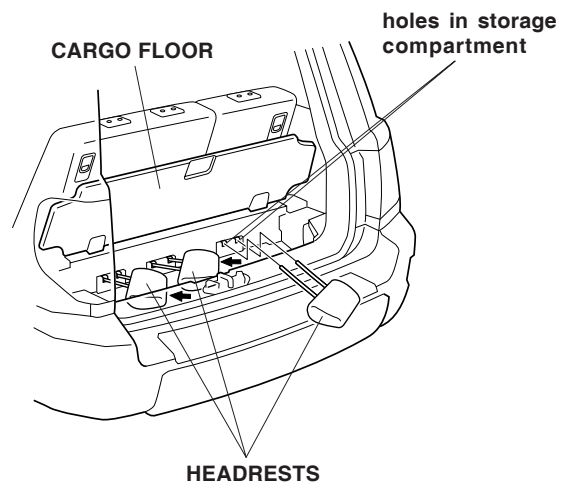

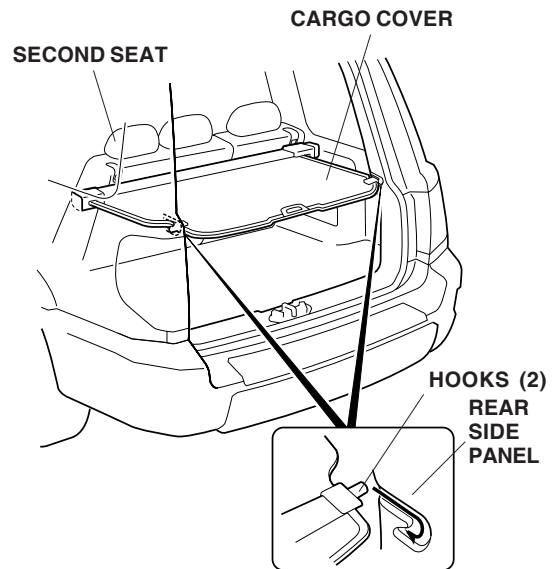

4. Fold down both third row seats.

5. Using a small flat-tip screwdriver or ignition key, remove the front, right and left side panel covers by releasing the retaining tab. Save the covers so they can be reinstalled when the cargo cover is removed.
